

TEXTILE ROLL COVERINGS FOR HIGH-PERFORMANCE FLATWORK IRONERS

We assemble, supply and install original quality ironer textiles of the following brands:

Ironer textiles for two layered standard, long or as two single layers, wrappings on Laminated Springs, Springpress, Maxpress- or KannPress-Plus spring coats

Cloth widths: 190, 230, 280, 300, 330, 360, 380, 440 cm
(Not all of the following ironer textiles are in all widths deliverable)

- If there is a different width of cloth required, we have to invoice the cut-off.

	Description	Item-Nr.
