

# TEXTILE ROLL COVERINGS FOR HIGH-PERFORMANCE FLATWORK IRONERS

We assemble, supply and install original quality ironer textiles of the following brands:

**Ironer textiles for two layered standard, long or as two single layers, wrappings on Laminated Springs, Springpress, Maxpress- or KannPress-Plus spring coats**

**Cloth widths: 190, 230, 280, 300, 330, 360, 380, 440, 460 cm  
(Not all of the following ironer textiles are in all widths deliverable)**

**- If there is a different width of cloth required, we have to invoice the cut-off.**

	Description	Item-Nr.
	<b>Ironer textiles made out of Polyester and Polyester/Aramide fabric and fibre material:</b>	
	TTL Polyester-Needle Felt Type MP 72, 720 g/m <sup>2</sup>	070130
